

Prevention Plan

Prevention plan to create a flea-free home

Now you're well on your way to creating a flea-free home, use this Prevention Plan to reduce the opportunities for fleas to return.

- Apply Revolution to all your cats and dogs every single month, the whole year round
- Keep washing your pet's bedding in hot water, or replace it regularly
- Pay attention to potential re-infestations due to contact with untreated animals
- Try to keep untreated animals out of your home living areas
- Vacuum and thoroughly dust your house regularly, paying particular attention to the areas where your pets eat, play and sleep
